

# A COMPENDIUM OF ONLINE TEACHING RESOURCES

ONLINE RESOURCES SHARED BY CALM TO FACULTIES AND CENTRES

Here is a list of online resources related to e-Learning that CALM has shared with UNIMAS academics either via CALM email or via faculty/centre eLEAP representatives. These resources are meant to assist all academics in preparing for online teaching delivery during MCO and post-MCO. Some of the listed online knowledge sharing sessions were organized by other Malaysian public universities (an initiative by MEIPTA). In our list, we provide links to the recorded version of these sessions while others are available via live streaming only. We hope that this list will serve as a useful reference for academics to learn and prepare for the upcoming online teaching.

*Instructions: To search for your topic of interest, please press 'Control+F' (for Windows) or 'Command+F' (for Macs) to open the search function. Type the keyword of the topic that you are looking for. Then, press 'Enter'. Voilà!*
